

Catch the Wind

Composer: Donovan Lietch

Chord Progression

Time: 3/4 (Donovan) but here I have written as 6/8 where each measure counts to 6.

Key: (drop) D as recorded by the Irish Descendants (walking bass lines build different chord voicing) Donovan uses different chord progression over solos.

Verses:

1 4 1 4

1 4 / 5 1 5

1 4 1 4

1 4 / 5 1/5 1

Number System: uses the major scale to show you which chords fall in the key, and 1 is the key.

1 2 3 4 5 6 7 8

D G A

G C D

C F G

1 4 1
In the chilly hours and minutes of uncertainty
4
I want to be
1 4 / 5 1 5
In the warm hold of your loving mind
1 4 1 4
To feel you all around me to take your hand along the sand
1 4 / 5 1 5 1
Ah but I may as well try and catch the wind

When sundown pales the sky
I want to hide awhile behind your smile
And everywhere I look your eyes I'd find
For me to love you now would be the sweetest thing
T' would make me sing
Ah but I may as well try and catch the wind

When rain has hung the leaves with tears
I want you near to kill my fears
To Help me to leave all my blues behind
For standing in your heart is where I want to be
And long to be
Ah but I may as well try and catch the wind
