I wish I were in London or some other seaport town  
4 1  
Set my foot in a steamboat and sail the ocean round

**While Sailing' on the ocean, While sailin' on the sea  
I think of Handsome Molly where ever she might be**

Remember handsome Molly when you gave me your right hand  
And you said if you ever married that I would be the man

But now you've broken your promise go marry whom you please  
While my poor heart is breaking you're going at your ease

Solo: ||:1 1 1 5

She goes to church on Sunday, and she passes me on by  
I know her mind is changing' by the rovin' of her eye

Her hair was as black as a raven, her eyes where black as coal  
Her cheeks look like lilies out in the morning glow

Solo: ||:1 1 1 5

Well I wish I were in London or some other seaport town  
Set my foot in a steamboat and sail the ocean round

**While sailin' around the ocean, while sailin' around the sea  
I think of Handsome Molly where ever she may be**
