Ah, I think I'll call it a bear

He saw an animal up on a hill

Chewing up so much grass until she was filled.

He saw milk comin' out but he didn't know...

"Ah, think I'll call it a cow."

He saw an animal that liked to snort,

Horns on his head and they weren't too short.

It looked like there wasn't nothin' that he couldn't pull.

"Ah, think I'll call it a bull."

He saw an animal leavin' a muddy trail,

Real dirty face and a curly tail.

He wasn't too small and he wasn't too big.

"Ah, think I'll call it a pig."

Next animal that he did meet

Had wool on his back and hooves on his feet,

Eating grass on a mountainside so steep.

"Ah, think I'll call it a sheep."

He saw an animal as smooth as glass

Slithering his way through the grass.

Saw him disappear by a tree near a lake . . .
