

# Mr. Engineer

As Recorded by Jimmy Martin

I'm gonna catch me a freight train  
Lord I'm leaving this lonesome town  
The one I loved and gave my heart to  
That's the one has turned me down

There's sixteen cars behind each engine  
I'll ride the last one to the end of the line  
I don't know where I'm goin or where I'll wind up  
Just anything to ease my worried mind
