

# Winter's Come and Gone

Composed by: Gillian Welch

1  
Oh little red bird come to my window sill  
Been so lonesome shaking that morning chill

1  
Oh little red open your mouth and sing  
Been so lonesome just about flown away

4                      1  
**So long now I've been out**  
**In the rain and snow**  
**But winter's come and gone**  
**A little bird told me so**

Oh little blue bird  
Pearly feather breast  
Five cold nickels all that I got left  
Oh little bluebird what am I gonna do  
Five cold nickels aint a gonna see me through

Oh Little black bird on my wire line  
Dark as trouble in this heart of mine  
Poor little black bird sings a worried song  
Dark as trouble till winter's come and gone
