

Blowing in the Wind  
- Bob Dylan

1            4            5            1  
How many roads must a man walk down

                 4            1  
Before you call him a man

                 4            5            1  
How many seas must the white dove sail

                 4            5  
Before she sleeps in the sand

1            4            5            1  
How many times must the cannon balls fly

1            4            1  
Before they're forever band

                 4            5            1            4  
**The answer my friend is blowing in the wind**

                 5            1  
**The answer is blowing in the wind**

How many years can a mountain exist  
Before it is washed to the sea  
How many years can some people exist  
Before their allowed to be free  
How many times can a man turn his head  
Pretending he just doesn't see

Chorus

How many times must a man look up  
Before he can see the sky  
Yes n how many ears must one man have  
Before he can hear people cry  
Yes n how many deaths will it take till he knows  
That too many people have died

Chorus
